

## DIRECTIONS TO KAPITAL INN

### ARRIVING BY TAXI

As explained on our website, the most convenient way to reach Kapital Inn is by taking a taxi. The taxis from the airport are inexpensive and your fare will cost around 7,000 to 9,000 Forints to Kapital Inn (or about 30 Euros), so we highly recommend this option. For up-to-date rates and information please consult the Fótaxi website. **We can also arrange you to be picked up for a flat rate of 30 Euros.**

### PUBLIC TRANSPORTATION FROM THE AIRPORT

**Step 1:** Tickets can be purchased from newsagents, or machines at the bus stop either inside or outside the terminal. To get to us you will need 2 tickets per traveller, one to validate on the bus and one to validate before you get on the first metro line, this ticket will remain valid when you change metro lines at Deák Ferenc Tér. All tickets are valid for all forms of public transportation in Budapest.

### WHEN DRIVING OR RENTING A CAR

All major car rental companies include GPS navigation systems with their cars at an additional fee, and we highly recommend you take this option.

For parking there is a guarded public parking garage two blocks from us at Aradi utca 8-10, where you can park for about one Euro (320 Forints) per hour (see the map below), alternatively your less expensive option is to park on the street.
